Educational and Professional Background

2002 Graduation in Dental Medicine (Eidg. Dipl. Zahnarzt), School of Dental Medicine, University of Bern, CH

2004 Doctoral thesis (Dr. med. dent.), Medical Faculty, University of Bern, CH

2009 Certificate (WBA) in General Dental Medicine (Federal Office of Public Health, CH)

2010 Specialist in Prosthodontics (Federal Office of Public Health, CH)

2011 Master of Advanced Studies (MAS) in Prosthodontics and Implant Dentistry, University of Bern, CH

2011 European Prosthodontic Association EPA recognized Specialist in Prosthodontics

2013 Habilitation / Venia docendi / Privatdozent (PD Dr. med. dent.) in Prosthodontics and Implant Dentistry, Medical Faculty, University of Bern, CH

Appointments and Teaching Activities

2007 Assistant Professor, Department of Prosthodontics, School of Dental Medicine, University of Bern, CH

2011 Visiting Research Scholar, University of Pennsylvania School of Dental Medicine, Philadelphia, PA, USA

2012 Adjunct Assistant Professor, University of Pennsylvania School of Dental Medicine, Philadelphia, PA, USA

2013 Associate Professor, Department of Prosthodontics, School of Dental Medicine, University of Bern, CH

2014 Adjunct Associate Professor, University of Pennsylvania School of Dental Medicine, Philadelphia, PA, USA

Dr. Katsoulis currently chairs the clinical courses in prosthodontics for pregraduate students and supervises the implant planning and clinical treatment provided by postdoctoral students in the Department of Reconstructive Dentistry and Gerodontology, School of Dental Medicine, University of Bern, CH.

Research and Review Activities

Dr. Katsoulis' research interests include computer-assisted technologies in implant dentistry, clinical approaches and new materials for CAD/CAM reconstructions with focus on implant-supported restorations for edentulous and special care patients. He has conducted his research projects mainly in the Department of Prosthodontics, School of Dental Medicine, University of Bern and in parts in collaboration with the Department of Preventive and Restorative Sciences, University of Pennsylvania School of Dental Medicine, Philadelphia, PA, USA, as well as the Department of Maxillofacial Surgery and the Department of Periodontology, University of Bern, CH. Dr. Katsoulis has authored approximately 30 articles in high-ranked and peer-reviewed journals (Total IF>80). He serves several journals and scientific associations as a scientific reviewer.

Honors

2009 European Prosthodontic Association EPA Oral Presentation Prize

2010 European Prosthodontic Association EPA Oral Presentation Prize (Coauthor)

2011 Swiss Association of Dentomaxillofacial Radiology SADMFR 2nd Research Award

2012 Swiss Society for Reconstructive Dentistry SSRD 2nd Research Award

2013 European Prosthodontic Association EPA Poster Presentation Prize (Coauthor)

2013 European College of Gerodontology ECG GABA Research Award

Professional Memberships and Boards

European College of Gerodontology ECG (Member)

European Prosthodontic Association EPA (Council Member 2013-2016, Member of the scientific committee 2011)

Swiss Dental Association SSO (Member)

Swiss Society for Reconstructive Dentistry SSRD (Council Member, President of the scientific committee 2013-2016)

Swiss Dental Society for Disabled and Elderly Persons SGZBB (Member/President of the scientific committee 2006/2010-2012)
