the Hungarian Medical Chamber

I was born in Budapest on 16th December, 1962. I finished all my basic schools also in Budapest.

In 1987, I graduated at Semmelweis University of Medicine at the Faculty of Dentistry with „summa cum laude” result. Since then I am working at the Semmelweis University.

Between 2007 and 2010 I was Vice-Dean of the Faculty of Dentistry and from 2011 also professor of the Faculty.

Since 2010- I am the Head of the Department of Prosthodontics

Since 2013- I am the Dean of the Faculty of Dentistry

I have introduced two new subjects which I am the lecturer of, these are Gnatology and Smoking Cessation

In 2007 - in addition to my other positions - I was elected President of the Dental Section of the Hungarian Medical Chamber.

Besides these occupation I am editor or editor-in-chief of Hungarian dental Journals.

My current areas of interest are Oral Microbiology, Gnatology and in esthetic dentistry the shade determination and CAD/CAM.
