

Marian-Vladimir CONSTANTINESCU

DDS, MSc, PhD, Professor
Founder and President
Holistic Dental & Medical Institute -
ROPOSTURO
Bucharest, Romania

Professor Constantinescu is an educator, administrator, researcher and specialist in Prosthetic Dentistry. He introduced and developed Occlusion (1982), Oral Neuromuscular Rehabilitation (1984) and Biopostural Medicine (1995).

He obtained his DDS from the Faculty of Stomatology (Institute of Medicine and Pharmacy, Bucharest, Romania, 1973) and his PhD (1999) in Bucharest, "Carol Davila" University of Medicine and Pharmacy. He completed his internship (1975), then moved to a teaching career (Resident Lecturer (1996), Associate Professor (2004), Professor and Head of the Chair (2009). He managed the „Prof. Dan Theodorescu" Clinical Hospital of Oro-Maxillo-Facial Surgery in Bucharest (1998-2008).

He continued his Occlusion and Posturology training in France and Italy; he was a Visiting Professor in Oral Rehabilitation (Lombard University of Milan, Italy, 1998) and in Posturology (University of Palermo, Italy, 2004).

He is the founder and President of the Holistic Dental & Medical Institute - ROPOSTURO (2007), the first Romanian medical unit to evaluate and treat patients with occlusal dysfunctions and postural disorders.

As Secretary General of the Romanian Society of Stomatology he was elected to the European Regional Organization of the FDI World Dental Federation (ERO-FDI) Working Groups ([Aging Population](#), [Quality of care](#), [Integration](#)). He is a member of the editorial board of several national and international journals. He authored and co-authored 11 books and over 150 articles published in national and international journals. He attended numerous national and international congresses (more than 300 communications and lectures). He was awarded various national and international prizes, medals and orders.
