

## Dr. Jean Francois Roulet became a Fellow of ADM

### Congratulations to Dr. Jean Francois Roulet on the acceptance as a Fellow of the Academy of Dental Materials

This honor is bestowed on selected clinicians, academic researchers, and industry researchers who have made a significant contribution to the field of dental/ biological materials science through their participation in the profession of dentistry.

Dr. Roulet is now entitled to use the designatory letters FADM after his name. A plaque commemorating this honor was presented at the annual meeting of the Academy of Dental Materials in Porto de Galinhas, Brazil, October 4<sup>th</sup> - 6<sup>th</sup>, 2018.

Dr. Roulet has demonstrated continued participation in the Academy of Dental Materials and leadership in the field of dental materials, clinical research and industrial research.

There are less than 80 fellows worldwide and we are thrilled to have one among us.
